The Youth Zone continues to flourish, with around 80-90 juniors and 30-40 seniors attending each week. We all continue to be indebted to the volunteers who give so freely of their time to help out – without them the club could not continue to operate. We are always looking for new volunteers though – please do consider whether you have a couple of hours free once a month or so to help out, we would love to hear from you. Particular thanks this month go to Ken Bunce who has set our fantastic new website – check it out at www.winterslow-youthzone.org.

The lighter nights have seen a return to the outdoors and an opportunity to run off some excess energy! We have lots of outdoor events planned over the next couple of months, including rounders games, giant garden games, police dog displays and the usual outdoor equipment on hand – football, badminton, basketball, rock n hopper and pedal racers as well as our indoor games and activities. We will also be running the Life Support qualification again and hopefully doing some mechanics, bath bomb making and clay modelling. New or returning seniors are always welcome – just turn up at around 8pm. Our junior sessions are currently full but if you would like to come along for a trial week please contact Carolyn. We look forward to welcoming you!
